

Worship and Music Meeting MinuteC
Thurs. Jan 22@5:30pm

Prayer

Old business

Recording church services: Money is available for purchase of a video camera for recording our church services. We would be looking for a designated person to record the services and upload them to Journey website. We were discussing recording some weeks at 8:00 service and other weeks at 10:15. Also, looking into a camera that could feed right into the sound system.

New Business:

Annual Worship report was discussed. In the report was listed who to contact for various worship music groups. We will encourage youth to play special music, especially if they have something appropriate prepared, such as piano recital piece or solo/ensemble piece.

Budget items: We added the bell choir fund to the categories. We dropped the Sundays and Seasons license, but picked up the licensed materials for the Narrative Lectionary. We also kept the CLLI license.

Co-Chairs: Nancy Haese has accepted the position of **co-chairing** this committee with Deb Welander. (*Julie Gappa has considered co-chairing with Nancy in 2016.*)

Bell Choir will play for Palm Sunday and sometime during Lent.

Lent begins on Ash Wednesday February 18th. **Lenten services** will be the **Holden Evening**

Prayer setting. Time of service: soup and sandwich from 6:00 -7:00 pm and **Service at 7:00 pm**

Accompanists and cantors for **Wed. Lenten services** will be:
