

JourneyFest 2014

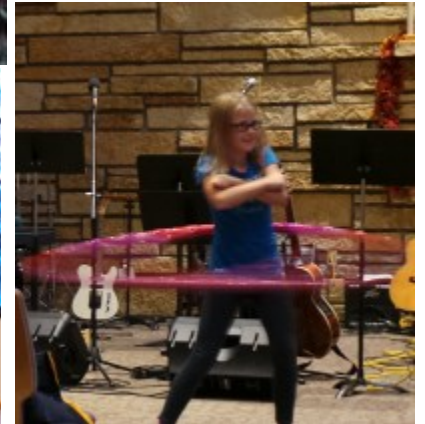

Thank you to everyone who helped to make JourneyFest succeed! We began the weekend with the Duct Tape Games for our Youth on Friday night. We had 30 people attend and as you can see from the photos, everyone had a great time. Saturday was our big Chicken-Q with Rooster Andy's. We were able to serve over 300 chicken dinners throughout the afternoon. Saturday evening was highlighted with the music group "Hot Sauce" who entertained us with music and there was dancing and hula hooping; followed by pie and ice cream in the Fellowship Hall.

Sunday was the big finale for JourneyFest and the kick-off for Sunday School which officially begins this coming Sunday. Hans Mayer entertained the children (and a lot of adults) between Services and before the potluck dinner at noon.

What a great weekend!
